

PRODUCT BRIEF

HP Poly Mission 600 Series

Comfort Meets Performance

Made for all-day communication, this durable USB headset delivers high-quality audio and lasting comfort that keeps you focused and productive.

Custom Fit for Long Days

Adjustable padded headband pad and plush memory foam earcups provide a personalized fit and deliver all-day comfort.

Always Clear, Always Professional

Sound confident on every call with the HP Poly Mission 600 Series headset—noise-canceling mics and AI noise reduction¹ keep conversations clear.

Simple, Reliable Connections

Reliable USB-C and USB-A compatibility, intuitive inline controls, and easy device management via HP Poly Studio App helps you get to work faster.

Build for a Better Tomorrow

Thoughtfully designed and made with at least 25% post-consumer recycled plastics² and shipped in paper-based packaging³.

Certified Collaboration Software	Microsoft Teams certified; Zoom certified; Google Meet certified; Works With Chromebook certified
Acoustic Protection Technology ⁴	SoundGuard Digital

1. On-device AI reduces typical background noises, allowing the user to be heard clearly improving the overall user experience.
2. Post-consumer recycled plastic is expressed as a percentage of the total weight of plastic.
3. HP paper-based packaging is reported by suppliers as recycled or certified, with a minimum of 97% by volume verified by HP. Packaging includes box and inserts.
4. HP Poly SoundGuard Digital includes G616 anti-startle protection which limits the noise level to below 102 dB SPL and is compliant to the Australian Communications Industry Forum (ACIF) G616 recommendation; HP Poly owned proprietary Advanced Audio Limiter, compliant to ACIF G616; and Average Daily Noise Exposure that measures and controls sound to prevent the Average Daily Noise Exposure from exceeding 80 dBA or 85 dBA time-weighted average (TWA). HP Poly Studio App is required to enable SoundGuard Digital features. HP Poly SoundGuard protects against Acoustic Shock by limiting sounds to below 118 dBA. This feature is enabled by default and is not a user configurable feature.
5. TCO Certified is a global sustainability certification for IT products. Compliance with all criteria is independently verified
